

## THE NEW

No. 5 Vol. 1 Thursday, April 13 1950

### Provincial Champions Raymond High School Girls Team

Wednesday afternoon, March 29th, was the time, in front of King's garage was the place and the action was the Girls Basketball team piling into a school van that was to take them to Edmonton to win the Provincial Senior Girls School Basketball Championship. The girls and Coach Miller were accompanied on the trip by Mrs. Laqua, a well-loved basketball enthusiast, Mrs. Robinson (who always enjoys a game twice as much as anyone else because her twins play on the team), Mrs. Cal Hill and 3 year old daughter, Marlene, who sang "Down by the Station" at every opportunity. And so, amid shouts of 'Good Luck' and 'Bring back the Cup' the van carrying the big sign 'RAYMOND HELL CATS' pulled out on the long but victorious trip to the north.

Because of a blow-out the scheduled game in Calgary was cancelled but the girls, and Mr. Miller, stayed the night with friends and relatives, to continue their trip to Red Deer the following morning.

Mr. Hollinsway, coach of the Edmonton girls team, was an interested spectator on Thursday night when the Hell Cats defeated the Red Deer team by ten points. Friday the team continued on to the beautiful Victoria school in Edmonton where, on Friday night the first game of the series was played.

That night the Hell Cats whipped the Victorians 26 to 15, giving them a good lead in the two-game total point series. The local girls showed class on rebounds but they missed many clear shots at the basket. They had a 6 to 2 lead at quarter time and were ahead 16 to 11 at the start of the last quarter where they outscored the Vics 10 to 4 to win easily.

The Robinson sisters set the pace for the winners attack, LaVon netting 7 points and LaVern 6. Graham with 7 and Meeks with 6 were other high scorers. Bizeta with 6 led the Vics.

Lineups: Ray - Graham 7, Meeks 6, Taylor, Knight, Paxman, LaVon Robinson 7, Stone, Harris, LaVern Robinson 6, Czech, Marigani, McLean, Total 26.

#### Second Game

The headlines say, "Raymond Gals Cop Alberta Hoop Title" for which we are very proud. There were many fans cheering for the Raymond girls, giving them much appreciated moral support. University students, former residents of Raymond and vicinity as well as some Edmonton people cheered for our victorious team.

The Hell Cats won the Provincial Championship with a score of 57 to 39. In the second game LaVon scored 14 points for her team, ten of them in the second half. Other top scorers were Jazelle Meeks with 8 points and LaVern Robinson 4. Betty Strachan and Stella Bizeta were tops for Edmonton with 6 points each. Hell Cats led 8 to 3 at the end of the first quarter, 13 to 7 at half time and 21 to 18 at three quarter time.

Lineups: LaVon Robinson 14, Czech, Graham 1, Meeks 8, Taylor, Knight 2, Paxman, Stone 2, Harris, LaVern Robinson 4, McLean. Total 31.

Edmonton: Bizeta 6, McLeod 4, Tomasky 1, Reid 4, Strachan 6, Panas, Richens, Frost, Pepin, Chimko 3, Lanaour. Total 24.

They won a beautiful trophy that the girls will always remember.

Wires of congratulations from Mr. Jacobs, J. G. Snow and the Magrath Girls team were greatly appreciated. Colleen Mitchell, one of last years Hell Cats, bought the girls a case of pop to enjoy on the return trip.

The girls were given a great "Welcome home" and an after recess holiday was given in their honor.

Raymond is indeed proud of her team!

### Young Buddhists' Association

The Fourth Annual "Miss Sunny Alberta" dance met with great success, Ernie Wood's Hi Hatters supplied the music.

Contestants and escorts from the various districts were: Susie Oseki and Jerry Ishikawa from Lethbridge, Yasko Koyanagi and Eyi Shigehiro, Kazuko Mishima and Joe Shimozaawa from Taber, Reiko Okahashi and Tom Mimura from Coaldale, Jane Taguchi and Mas Terikita from Picture Butte, Tomiye Sasaki and Keiki Terikita from Raymond.

Highlight of the evening was the crowning of "Miss Sunny Alberta of 1950" voted as Miss Tomiye Sasaki by the 1949 winner—Miss Ayako Kitagawa.

Mr. and Mrs. Nim Sugimoto and Mac Nishiyama have returned from Toronto where they visited friends and relations.

Home over the week-end, visiting their parents were: Misses Reyko Karaki, Sadako Saruwatari and Alice Sasaki.

Dairo Matsugi is home from Olds where he was a recent graduate of the School of Agriculture.

Celebrating the flower festival a special service was held at the Buddhist Church followed by a short program and show.

### Teachers' Institute Held

Vice-principal William Nalder and a local teachers committee were hosts to the teachers of Stirling, Raymond and the St. Mary River School Division here Thursday, April 13th. In spite of glum weather teachers came from as far west as Hillspring and Mountain View.

The morning meeting in the Opera House heard Leon Harker's Address of Welcome. William Anderson welcomed the teachers on behalf of the Raymond School Board and Superintendent Aubrey Earl from Taber called on the teachers to consider "The School and Public Relations".

"Students", said he "see all, hear all and tell all". They, with their parents and the school make up the "Big 3" in educational goodwill.

Master of Ceremonies Dean Rolfs introduced T. George Wood who was the guest speaker at the noon banquet. Mr. Wood said that teachers have a great opportunity to instill in a child tolerance for other races. He also said that communism is an old system which had been tried and found wanting by the early pilgrims.

During the banquet and morning sessions Laurie Harker, Derry Weaver and Noriko Ikuto sang solos, all accompanied by Mrs. Velma Redd. Cal Hill led the community singing.

The first half of the afternoon sessions brought out some lively discussions.

The concluding speaker, C. B. Johnson, Inspector of High Schools, discussed "Disciplining for Citizenship" and said that creating good citizens is a three-fold job for the Home, the School and the State. It is time that parents think clearly on what things are important.

Mr. Nalder wishes to thank all those who helped make the day a success.

(By Deb. Thompson)

Any veteran that hasn't seen the hall since Ray and Johnny put on the veneer should make a special trip over to see it as it really looks good. One afternoon while this work was underway, I happened to be passing by the hall and hearing the sound of hammers I peeked in to see what was going on. As I entered the door the first thing I noticed was Ray holding a nail against the wall, he'd first, vainly trying to pound it in. Soon after Johnny turned and telling Ray's predicament said, "Hey, you darn fool", that nail is supposed to go in the other wall!

Incidentally, any of you veterans that are unemployed at the present time, your assistance will never be refused at the hall. We are planning to install a bowling green on the Legion property immediately behind the hall, and there is a lot of cleaning up to be done before this can proceed. If you like bowling or curling you will like lawn bowling. If you aren't acquainted with the game see Poly Hawkins or Mutt Ralph, who are a pair of enthusiasts of this sport. Your interest and help will greatly increase the speed in accomplishing this project. A lot of us would love to spend a lazy summer afternoon doing a little lawn bowling and anyone with any civic pride will be interested in improving the grounds as it will make our Legion hall a point of interest in Raymond. Let's get behind our building committee—you all know who they are, and just let them know when you can give them some assistance as they will be glad to have you at any time.

Dick Kinsey was the guest speaker at our last regular monthly meeting. A large number of veterans entered the hall promptly at 7:30 and sat down to a delicious meal prepared by the Auxiliary, after which they boarded the S.S. Kinsey and sailed to the South Pacific. Most interesting and educational. The few that missed this meeting should be very sorry they weren't along on the trip.

One of the absentees was Secretary Mel Depew who is enjoying a seige of bronchitis at the local hospital. He has been favored with a box of chocolates by our alert welfare committee, which he is using to influence the nurses. We are sure that this is true as his wife reported having been to see him yesterday and was flatly refused when she asked him for one of the candies.

Until next week this is your Legion Reporter signing off.

Mrs. Eulolia Nalder and Mrs. Elsie Mitchell entertained at the Mitchell home last Wednesday evening in honor of Mrs. Bud Fisher of Coleman.

### United Church W. A.

The United Church ladies held their regular monthly meeting with eleven members and two visitors present. Plans for a Spring Tea and Bazaar to be held April 15 from three to seven p.m. at the Legion Hall were completed.

A gift was presented to President Mrs. Art King who is leaving shortly to make her home in Olds. Mrs. Ralph James who is leaving shortly for Calgary was also presented with a gift. Both of these faithful members will be greatly missed and the best wishes of the community are extended to them.

The May meeting will be held at the home of Mrs. George Swedish. Roll call will be answered by the giving of a white elephant which will be auctioned.

### Organization Party

The Taylor Stake M Men and Gleaner Girls assembled in the Stake House last Monday night for a Banquet and Organization Party. A very delicious dinner was served on tables beautifully decorated with an Easter centerpiece and daffodils.

Bill Nalder was M.C. for the program which was in the form of an election, each ward representative giving a campaign speech which everyone enjoyed.

Those elected were Norma Dahl, President, Shirley Allen, Vice President and Janet Turner, Secretary for the Gleaners. The M Men elected were Reid Walker, President, Grant Litchfield, Vice-President and Harry Smith of Coultis, Secretary.

Gordon Cooper and Gordon Snow sang two duets and Mrs. Ethel W. taken played two piano solos.

All wards in the Stake excepting Weiling and Magrath Second Ward were represented.

The Stake Board catered for the banquet.

### "EXODUS"

Chris Tollestrup's "Exodus" heard last Sunday, depicting the sacrifice of the Mormons in the flight from Nauvoo was a cultural effort to be commended. We should encourage efforts of this kind.

Some of us are indebted to Chris, and others, for the encouragement and opportunity we received years ago, for the leadership given us, e.g. in music appreciation.

Chris is more or less self-taught and while his composition may leave something to be mastered, in so far as unity, contrast, development and climax is concerned he has a sincerity in the sombre idiom that is much to be admired. Thanks Chris.

We are hampered in our cultural life and I submit that it is not as good as it should be, by the fact that cultural expression is not as well understood and admired as it should be. One would judge from the Lethbridge Herald that the heroes of the day are the bruisers. Competitive athletics, basketball and hockey—the Native Sons to name some young heroes—fill half the paper. Basketball and a stampede is the expression of Raymond's cultural life. We spend thousands to see the bull buck but not a dollar on the arts.

We are hampered too, at times, by small town personal jealousy and sectional snobbery. The result is the lack of use of co-operative talent to put on something really worth while. The result—a stymie of real excellence by passing around it for jealous or personal reasons.

We should spend more time and effort in our schools and homes, secure excellent tutelage, to foster the cultures; enrich our church and club programs. We have done very well in our Raymond schools. In the past Velma Redd, with solos and choruses has done very well at festivals. Why not go on to further efforts with those showing real talent.

It seems to me that we are slipping. We used to have a good band in Raymond. Now we can't keep a high school band tooting. A few of the girls are quite good on the piano but on other instruments there are practically none. Chris resurrected three violinists from neighboring towns to put a little life into some old voices. Where are the fresh young trained voices, Anybody that can yell is supposed to be a vocalist.

Let's take some of the loafing—there isn't a place under God's benevolent sun where any more time is wasted than right here, and I've been around—and supplant it with more efforts toward the finer things of life.

Myron Holmes

### Weddings

#### O'Brien-Taylor

Last Wednesday evening marriage vows were exchanged between Hazel Lynn Taylor, daughter of Mrs. Martha Taylor, and Clayton Palmer O'Brien, son of Mrs. Ike Orgill, in the Stake House Relief Society Room. Bishop J. Golden Snow officiated at the ceremony.

The bride, carrying a bouquet of red roses and white carnations en ribbon, entered on the arm of her uncle, Vaughan Taylor, to the strains of the Wedding March played by Mrs. Emma Dahl.

The bride chose a gown of white moire taffeta, the bodice of which was accented by a net yoke and lily-pointed sleeves. The beautiful lily-appliqued veil was held in place by a seed pearl coronet.

Her bridesmaid, Miss Florence Yanosick of Lethbridge, chose a gown of yellow embossed organza, with a coronet of yellow daisies and carried a bouquet of spring flowers. Delmond O'Brien of Lethbridge, brother of the groom, was best man.

The bride's mother wore a two-piece bengaline suit with a pink carnation corsage and the groom's mother wore a dress of black crepe with a white carnation corsage.

The reception was held in the Recreation Room immediately following the ceremony. Mr. and Mrs. V. Sabey received the guests as they entered the hall which was decorated with baskets of spring flowers as was the Bridal Room.

Mona Palmer was in charge of the guest book while Mesdames Gladys Liddle, Melba Attwood, Margaret G. Hall, Delores M. Scoville and Betty Smith received and arranged the many beautiful gifts.

Joe McLean was M.C. for the program which included: a reading by Geraldine Palmer, a solo by Marie Matkin, a piano solo by Hazel Fairbanks. Joe McLean sang a solo and was followed by a reading by Mrs. Laura Hirsche.

Those helping with the tasty lunch were Mesdames Elsie Mitchell Alice Shaw, Elizabeth Taylor, Helen Flexhaug, Ethel Flexhaug, Opal Widgil and Eulalia Nalder.

The bride chose for her going-away ensemble, a three-piece beige suit with green accessories complimented by a pink corsage. They motored to Great Falls for their honeymoon.

Out of town guests were from Lethbridge, Magrath and Taber.

### Fashion Parade

The Bee-Hive group of the Fourth Ward M.L.A. sponsored a very successful Fashion Show in the Opera House last Saturday.

It was under the direction of Mrs. Vi Meeks, Mrs. Mildred Wood and Mrs. Ada Stone. Linco'n Wood introduced the many lovely models in their beautiful and varied clothes, sportswear, print and afternoon dresses and suits. Many modelled clothes of their own design and make.

Appreciation is expressed to the many stores that so willingly loaned their clothes to be modelled. Special thanks go to McArthur's, Annettes and the Fashion Shop in Lethbridge. Thanks also go to Imperial, Juniors, Magrath Trading Co., Raymond Mercantile and Burns' Shoe Store who furnished all the shoes worn by the models.

Mrs. Gertie Fairbanks, representative of the Counsellor Cosmetic Co. "made up" all the models.

The grand finale tableau showed two bridal gowns, bridesmaid dresses and flower girl dresses as well as many beautiful suits.

The proceeds go for the Mutual Home at Waterton.

### ROTE SPOKES

Monday last being a holiday, there was no meeting held by our local Rotary Club. As a consequence there is not much of note to report from our club activities.

Rotarians should note that the next week's meeting, Monday, April 17th, will take the form of a social to be held in the Legion Hall. This will be an evening get-together of Rotarians and their wives as a farewell gesture to Art and Effie King.

#### Time Spent in Rotary

If you have 100% attendance for 25 years, you have spent only two months at Rotary meetings. Statistics show that the average 75 year old man has spent 8 years on his health, 14 years at work, 6 years eating, 5 years travelling, 3 years in school and 24 years asleep. So the two months you have spent in Rotary is a small portion of your time.

#### What is Rotary

Ideal of Service to humanity. Rotary seeks all that brings people together and it avoids all that separate them. Rotary does not seek to supplant or interfere with any religious or political organization. It assumes that its program is in accord with all religions, and it does not concern itself with a Rotarian's politics. Rotary expects him to be faithful to his religion and loyal to his citizenship.

#### Here and There

The Surat, India, Rotary Club was founded in 1937. During its short life it has held two District Assemblies, one District Conference and an inter-city meeting. It has sponsored two clubs and supplied two Governors to the District. It has adopted a village for improvement and sponsored a Blood Bank, an Adult Education Class and a Health Centre. It has helped the relief of refugees and flood stricken people. Membership—58.

"Hoshi Koso Waga Tsutome" is the title in Japanese of, 'Service is My Business' which has been published in Japanese. The Rotary Club of Tokyo is distributing copies to all Rotary Clubs in Japan.

The Rotary Club of Jamshedpur, India, has presented each of its members with "From Here On" and "The World at Work".

The Rotary Club of McAllen, Texas, presents each guest speaker with a copy of "Service is My Business".

(continued on page three)

### ATTENTION GOLFERS

Extensive work is being carried out this week on the golf course and it is hoped that it will be in first class shape by the end of the week. New tee off boxes are being installed, better sand on the putting area and the whole course will have a NEW LOOK.

Anyone wishing membership for this year please contact any of the following: Archie Terry, Athol Cooper Orin Turner or Barker Selman.

### BORN TO:

Mr. and Mrs. Reid Erickson, a boy, April 8.

Dr. and Mrs. Orson Bingham, a girl, April 11.

Mr. and Mrs. Bruce Galbraith, a girl, April 13.

Mr. and Mrs. George McGilvary, a son, April 13.

A brush demonstration by Mrs. D. O'Brien was held at the home of Mrs. C. Zobel with Mrs. Marie Kinsey and Mrs. M. Zobel as hostesses. About 28 ladies were present.

Mrs. M. Laqua, Miss Jannie Bartossek and Mrs. Doris Zobel were prize winners at bingo and Mrs. Dan Smith won the door prize.

A tasty lunch was served by the the hostesses.

Mr. and Mrs. Bob Zobel are proud parents of a baby boy, born April 2.

Mrs. Ruby White and daughters, Nora and Mary Pat of Penticton, are guests at the home of Mr. and Mrs. John Zobel.

Mrs. Zobel is Mrs. White's niece.

The Vanderhill Brothers are on the move. The warm weather has brought them out of retirement and they are now busily engaged in fixing roofs. Thank goodness they finished fixing the holes above our heads before the rains came.

His wife asked him to copy a radio recipe. He did his best but unfortunately got two stations at once:

Hands on hips, place one cup of flour on your shoulder, raise knees and depress toes; mix thoroughly in 1/2 cup milk, repeat six times. Inhale quickly 1/2 teaspoon baking powder, lower the legs and mash two hard boiled eggs in a sieve; exhale, breathe naturally and sift in a bowl. Attention! Lie flat on the floor and roll in the whites of two eggs, backwards and forward until it comes to a boil. In ten minutes remove from the fire and rub smartly with a rough towel. Breathe naturally, dress in warm flannels and serve with tomato soup.

Tell your friends about the new

### Supper and Bingo

There will be a Supper held in the basement of the Roman Catholic church on Wednesday, April 19th from 5 until 8 o'clock and we are told that the supper is really going to be something. A bingo game will follow the supper. There is a door prize of a set of china and raffle prizes of: set of silverware, pressure cooker, sandwich toaster and waffle iron, candy cake and a cushion all to be drawn for at approximately 10 pm.

The proceeds are for church repairs and improvements.

## For Parents Only

By Nancy Cleaver

### "A Great Canadian"

Parents should encourage their children to know something of the lives of the famous men and women of their own and other lands, and Jack Miner belongs to that group of Canadians who have brought honor to their country. He was at home in the out-of-doors as few men are. Although he had but three months of continuous schooling, he was educated in the vast store of knowledge he possessed of the wild animals and birds of our woods.

Early in the century Jack Miner realized the necessity of conservation of our natural resources. He formed one of the first Game Protective Associations in Canada, indeed on this continent. His Bird Sanctuary near Kingsville became famous and served as a model and inspiration for several hundred other bird havens. In the barren fields of his farm Jack Miner and his workers dug the hollows for the ponds for wild ducks and geese. Countless trees were planted as a wind break and for the use of in eating song birds.

In 1909 Jack Miner began his bird tagging activities when he placed an aluminum band on a black mallard duck. This duck was killed in North Carolina. Six years later Jack Miner decided to concentrate on banding Canada Geese. On the tags he wrote his address and a verse of Scripture. During his life he banded hundreds of geese. This project helped both the Canadian and U. S. governments in establishing strategic bird sanctuaries and in regulating shooting privileges.

In his public addresses Jack Miner captured the heart of young and old and impressed his audiences with the value of their natural heritage of field and forest, of wild animals and birds. He loved boys and girls and they found it easy to like him and join in his conservation campaign. I will never forget his talk to the school students when I was in my early teens. At the time of his death in 1944, one of the loveliest comments on the character of the man was made by a girl who had worked on his farm the previous summer. She said, "I will never think of him as dead—he was too nice alive."

Like most men of the out-of-doors, Jack Miner was a truly religious man. Once he said, "No man can live in the great out-of-doors and study the creatures which occupy it before man has any control over them, and consider the regularity of the sun, moon and whispering stars without being compelled to believe there is an overruling Power." He had a real sense of purpose in his own vocation, which is shown in his remarks, "Back of me, in all my undertakings, is God."

We need more Canadians today of Jack Miner's calibre. The first concern of parents is the character development of their children, and in this out-of-doors man with so little formal education, there flourished many of the fine things of the mind and the spirit which we covet for our children. Jack Miner's two books, "On Current Topics," and "Jack Miner and the Birds," may be found in most public libraries. His interest in the conservation of our natural resources—our soil, water, forest, flowers, fish, birds and mammals is something we all can claim as our own and pass on to the rising generation.

Fathers and mothers who take time to go hiking, to go on picnics and camping trips with their children, share their love of the out-of-doors and their appreciation of beauty with their youngsters. Every boy and girl should know the fun of a family meal cooked in the open... the right way to make a fire and safety precautions to make sure the camp fire is really out. Parents can make a game of leaving picnic grounds just as tidy if not neater than they found them. Camp is a splendid investment for youngsters. Boys and girls catch from their parents, and leaders in adventures in leisure time in the fresh air, feeling of wonder of our native land... "Ours is a godly heritage"—let us all do our part to conserve our wealth of field and forest.

Jack Miner's Birthday, April 10, 1865

Mr. and Mrs. Scott Salmon and Mr. and Mrs. Alfa Hancock left for Great Falls yesterday as a celebration of Mr. and Mrs. Salmon's wedding anniversary.

## ROTE SPOKES

(continued from page one)

The Morning After

(Wife speaking)

Good morning, my bright international mate,  
My outstanding genius in problems of state.

I trust a'l is clear in that wonderfu mind,  
Which last night remodeled the whole of mankind.

Your handling of Russia, the Ruhr, Palestine  
And China and Greece; it was masterly fine!

You're sure to be named "The Man of the Year"

Here's four or five aspirins—swallow them, dear.

Awake, my fine songster! It's well towards noon.

All morning I've waited, just hoping you'd croon

A measure from "Chloe" or "Deep Rolling Sea".

Which last night you sang until hot after(three).

You awakened the neighbors, you propped on the mat

And one of your props was your hostess's hat.

I'm sure she will wait you again for tonight—

the life of the party, he ever you're tight

To drink up that other, once the drone,

It's said to be good for a sultry night done.

I wish I were Sandow—low for I would throw you

For the next thirty days peace pretend I don't know you

My juvenile backass my dress—let's differ.

You say you feel awful—well suffer!

The "Greenwich Cog" recently published FIVE QUESTIONS for study by its members...

1. What have I done within the last six months that has been of benefit to Rotary.

2. What would become of the Club if every member has done exactly as I have done?

3. How many times have I been absent that I could have been present, or made up my attendance, had I made an effort to do so?

4. Am I in partnership with the rest of the members in running the business of the club?

5. Is it right for someone else to do all the work and for me to expect an equal share of the benefit and satisfaction?

With those pertinent questions then, I will leave you until next week—your Rote Reporter, who feels that consideration for others delays traffic but permits a few people each day to live out their natural lives.

Mr. and Mrs. Ted Allen are visiting at the coast.

If we had received your news this was the place for it.

### Concert

The Temple Hill Cemetery Board presented a very fine concert program Monday night in the Opera House.

George Brown of Lethbridge was Master of Ceremonies and interestingly introduced each number. He also sang several solos. Mrs. Katherine Brown was accompanist for the various artists which included Ardeth Carlson and Eileen Swan of Cardston, Mas Terakita, Hisako Takahashi, Jeannine Jensen and Joseph McLean of Raymond; a group of Japanese girls who demonstrated an Oriental dance, W. Princhuck, accordionist and Mr. VanWeide, CJOC staff member who played several piano solos.

A record crowd was in attendance.

### Learn Facts About Cancer

Cancer is an unpleasant fact. But like all facts, there is only one sensible way to deal with it. And that is: Face it.

It is a statement backed by some tragic figures. Last year, an estimated 25,000 people in Canada developed cancer. Some 15,000 people also died of the disease. The number of people cured of cancer would have been greater if needless delay had not been allowed to occur between the time of onset of symptoms and the time of reporting to the family doctor for advice.

It is not widely enough known that treatment for cancer can be more effective when given before the disease has had time to spread beyond the site of its origin. The Canadian Cancer Society, by a national educational effort is striving to acquaint more Canadian with this fact.

It is commendable that the Canadian Cancer Society which holds its annual campaign throughout April, is stressing the need for knowledge, for understanding, for participation on the part of the public, quite as emphatically as the Society's own need for funds to finance its research and welfare programs. The citizen who takes an active personal and community interest in the problems of cancer becomes a contributor to this vital campaign no less than the man who sends in a large cheque.

Delegates who attended the 120th annual L.D.S. conference of the church in Salt Lake City have returned and report a very interesting and enjoyable trip. Weather was warm and pleasant throughout conference week except for the last day, Sunday, April 16th, when rain and snow fell most of the day. Attendance, however, was not curtailed by the weather. The historic Tabernacle, as well as the adjoining assembly hall was filled to overflowing at all sessions on the final day.

Statistics of the church showed a marked increase in membership as well as general activity among its members. There are a total of 179 stakes in the church, 1357 wards, 44 missions and 144 branches with a total membership of 1,078,671. 1949 showed a greater increase in membership than any year since the church was organized in 1830.

Grandma Fisher returned from Salt Lake City where she attended the funeral of her daughter, Mrs. Blanche Scoville.

Mrs. Phyllis R. Miller and small son are visiting relatives and friends here.

Mr. and Mrs. H. Dean Rolison and daughters are visiting in Champion, the guests of Mr. and Mrs. Fred Gottenburg.
